## PROFILE

My name is Jean Lima, I'm from the state of Bahia and I'm 19 years old. I am passionate about Computing and I am currently studying a bachelor's degree in Computer Science, a course that I really like and have been interested in since childhood. Despite this, I consider myself self-taught and beyond college, I tend to study alone daily in order to learn more about Web Development.

## EXPERIENCE

2022/01 - 2023-/01

### COMPUTER TECHNICIAN

I worked as a computer technician at the company: Tec Info Soluções em Informática, in Brazil. Which I had experience as technical support, teamwork, micro maintenance and computer networks.
